We do not have responsibility with missing file of this book.

Handbook of Geriatric Care Management, Fourth Edition is a comprehensive and practical guide for care managers that addresses the multiple needs of aging adults and their families. An ideal teaching tool, it guides students and professionals along the journey of becoming a successful care manager.

New to this edition are two new chapters on working with older veterans and helping clients with depression. Completely updated and revised, the Fourth Edition provides updated ethics and standards, a focus on credentialing and certification, numerous case studies, sample forms and letters, and tips for building and growing a care manager business.
